

Anti-Bullying Policy

Revision V4.0

Last revised: November 2024

Manvers Waterfront Boat Club (MWBC) is committed to providing a caring, friendly and safe environment for all of its members so they can participate in a relaxed and secure atmosphere. Bullying of any kind is unacceptable. If bullying does occur, all members should be able to *tell* and know that incidents will be dealt with promptly and effectively. We are a *TELLING* organisation. This means that *anyone* who knows that bullying is happening is expected to *TELL* one of our Club Welfare Officers or any committee member.

This policy aims to inform members of MWBC of our procedures in relation to bullying concerns and also to help embed a positive culture whereby bullying behaviours are less likely to occur.

What is bullying?

Bullying is:

- behaviour by an individual or group that is offensive, intimidating, malicious or insulting including an abuse or misuse of power; that undermines, humiliates, excludes, or causes physical, emotional or psychological harm to someone.
- Power in this context does not always mean being in a position of authority but can include personal strength and the power to coerce through fear or intimidation.
- Bullying can take the form of physical, verbal or non-verbal conduct. It may be a pattern of behaviour or a one-off incident, and can be deliberate (typically) or inadvertent. Bullying can happen face-to-face, on social media, or via written or oral communications.
- Bullying can be adult on adult, adult on child and child on child.

Physical Bullying - This is behaviour such as pushing, kicking, hitting, slapping, punching, tripping, spitting or any other use of violence.

Verbal Bullying - This is behaviour such as name calling, constant teasing, sarcasm, racial or homophobic taunts, targeted graffiti, targeted gestures.

Sexual Bullying - Can be unwanted physical contact of a sexual nature, intentionally bumping into, grabbing, stroking, pinching private areas etc. or sexually abusive or inappropriately suggestive comments. In addition, the use of sexual material (texts, pictures, video, voice messaging,) involving the person in order to humiliate them.

***Any bullying of a sexual nature aimed at children under 18 years of age would be considered child sexual abuse and would be treated as such in line with the MWBC Safeguarding Policy.**

Emotional Bullying - Things like tormenting, ridiculing, intentionally leaving someone out or persuading others to do so, public and/or private humiliation, gaslighting, the use of negative gossip.

Cyber Bullying - Includes bullying that occurs on all areas of internet, such as email, social media and internet chat rooms, private messaging and forum messaging boards. Cyber bullying also includes the use of mobile phone e.g. text messages, calls, photos and video.

Why is it important to respond to bullying?

Bullying can cause long term psychological harm. No one deserves to be a victim of bullying and everyone has the right to be treated with respect and dignity at all times. Members who are experiencing bullying have the right to be protected and those engaging in bullying behaviour need to be stopped from these behaviours as well as being educated as to how to behave in the future.

The objectives of this Policy are:

- To ensure that all committee members, coaches, volunteers and members know what the Club policy and procedures on bullying are and follow them if bullying is reported.
- To ensure that all committee members, coaches, volunteers and members, (inc. children and young people), understand what bullying is and are able to identify the behaviours that contribute towards it.
- Ensure all members of MWBC, including junior members, their parents/carers and adults know what MWBC's policy and procedures on bullying are and what they should do if bullying arises.
- Give MWBC members, coaches, volunteers and parents/carers the confidence to challenge bullying behaviour or raise concerns about bullying with the appropriate person.

At MWBC we take bullying seriously. Anyone reporting bullying should be assured that they will be supported appropriately when raising a concern.

Bullying within MWBC will not be tolerated.

Indicators and Behaviours

A victim of bullying may indicate by signs or behaviour that they are being bullied. Coaches, volunteers and parents/carers should be aware of these possible signs and they should make further enquiries if a person:

- is unwilling to go to club sessions.
- becomes withdrawn, anxious or lacking in confidence.
- feels ill before training sessions.
- comes home with clothes torn or possessions damaged or missing.
- asks for money or starts stealing money (to pay bully).
- has unexplained cuts or bruises.
- is bullying other children or siblings.

- is frightened or unwilling to say what's wrong.
- is afraid to use or is unusually disinterested in using the internet or mobile phone.
- gives improbable excuses for any of the above.

In more extreme cases you may see some of the following behaviours:

- starts stammering.
- cries themselves to sleep at night or has nightmares.
- becomes aggressive, disruptive or unreasonable.
- stops eating.
- starts self-harming behaviours.
- runs away or attempts or threatens suicide.

These signs and behaviours could indicate other problems, but bullying should be considered a possibility, and further inquiry should be made.

What to do if bullying occurs

Report bullying incidents to one of the Club Welfare Officers or a member of the club committee as soon as you become aware of the issue.

Parents/carers of children who are being bullied, should be informed of the issues. If necessary and appropriate, police or other statutory agencies should be consulted.

Recommended Action

Once an organisation becomes aware of a bullying report/referral, they must ensure:

- that the bullying behaviour or threats of bullying are properly investigated and the bullying stopped quickly.
- that where appropriate, attempts will be made to support the bully/bullies to understand the impact of their behaviour and be supported to change their behaviour.
- that incidents or allegations of bullying are managed promptly and independently following MWBC's own policies and procedures.

If appropriate and proportionate to the behaviour being presented, this might include informal action such as reconciliation and mediation meetings and apologies.

If MWBC cannot manage an incident or report of bullying, or those involved feel the issue is not resolved sufficiently, then the appropriate National Governing Body (NGB) Safeguarding Team can be contacted for advice, guidance and support.

Prevention

The Club Welfare Officer will raise awareness of bullying within the Club. If issues of bullying arise then they will consider meeting with the members concerned to discuss the issue openly and constructively.
