

Welcome to Manvers Lake

Manvers Lake was created in the 1990s as part of the remediation project to allow former industrial land to be redeveloped for commercial, housing and leisure purposes.

Today the site is owned and managed by Manvers Lake & Dearne Valley Trust and is home to the thriving Manvers Waterfront Boat Club. With beautiful scenery and an abundance of wildlife it is also a great place to immerse yourself in nature.

TRAILS & FOOTPATHS

-  2km Lake Circular
-  3km Lake Circular
-  5km Lake & TPT Circular
-  Footpath

WILDLIFE

The lake and surrounding woodland, hedgerows and fields are home to a great many species of birds and mammals. The Dearne Valley Wetlands has been designated a SSSI (Site of Special Interest) in part for its breeding Willow Tit population, which is currently the most endangered species of resident bird and the project hopes to ensure it is saved from extinction.

BOATHOUSE & CAFE

We have a great little takeaway café on-site which offers a selection of drinks and snacks. From hot drinks and bacon sandwiches to ice creams and juice, whatever the weather we can keep you fed and hydrated. We have on-site toilets and the Boathouse has rooms available to hire out.

KEY

-  Parking
-  Disabled Toilets
-  Toilets
-  Takeaway Cafe

Manvers Waterfront Boat Club

-  Paddlesports
-  Open Water Swimming
-  Windsurfing

WALKING AND CYCLING

We have a network of paths and bridleways which will suit visitors of all ages and abilities. We have 3 circular routes which take you around the lake and alongside the River Dearne and Knoll Beck on the Trans Pennine Trail.

WATH MAIN PIT WHEEL

The pit head winding wheel to mark the site of Wath Main Colliery which closed in 1988. Manvers became the centre of coal output from the collieries known as the South Manvers complex that were linked below ground. They were Wath Main, Barnburgh Colliery and Kilnhurst.

MANVERS WATERFRONT BOAT CLUB

A thriving multi-sports club is based at the Boathouse. A club with a difference - we are here for the community - run by the community. Everyone is welcomed, no matter what your experience. Members can participate in a wide range of activities, both water and land based, including paddlesports and open water swimming. See our website for more information at www.mwbc.org.uk
